

Dear Friend:

The Perinatal Foundation, a non-profit 501(c)(3) organization dedicated to maternal and infant health, seeks donations for our 20th **Annual Silent Auction**. The auction will be held **Monday, April 8, 2019**, during the Statewide Perinatal Conference sponsored by the Wisconsin Association for Perinatal Care (WAPC), at the Best Western Premier Waterfront Hotel & Convention Center, Oshkosh, WI.

The educational conference brings together over 350 health care professionals who work in a variety of settings across the state – hospitals and clinics, public health agencies, schools and colleges. The Silent Auction is a highlight of the annual conference.

We hope you will support the Perinatal Foundation by contributing an item to the Silent Auction. You will receive recognition for your generous donation in all printed materials and at the auction itself. If you would like to supply brochures or marketing materials, we would be happy to display them with your donation as space allows. Please complete the donor form and return it to the address below or fax it to **(608) 285-5004**.

The Perinatal Foundation was established in 1985 by Thomas Leonard, M.D., to improve the health of mothers, babies, and their families. In addition, the Foundation provides scholarships for adult college students with young children in day care.

The Foundation's federal employer identification no. is 39-1510620. The official name of the organization is: Perinatal Foundation, Inc. If you have questions or need additional information, please contact the Perinatal Foundation staff via email at foundation@perinatalweb.org or by phone at 608-285-5858.

We look forward to hearing from you.

Sincerely,
